Invitation to the Jubilee and Scientific Conference
„Engineering of Agriculture and Forestry Production”

Scientific Conference „Engineering of Agricultural and Forestry Production” will be held June 8-9, 2017 at the Faculty of Production Engineering, Warsaw University of Life Sciences WULS – SGGW. The conference is organized to celebrate the Jubilee of the 40th Anniversary of the Faculty of Production Engineering, Warsaw University of Life Sciences WULS – SGGW and is addressed to researchers of all aspects of the problems of production engineering. It will be an opportunity to present and discuss the results of research. The Conference will include presentations of disciplinary and multidisciplinary papers on agricultural engineering and forestry topics.
